- € I understand that the \$75 rebate per toilet (maximum of two toilets) is in the form of a credit to my BexarMet account.
- € I understand that I may only receive up to two toilets per account dependent on the number of bathrooms verified through the County Appraisal District and past participation in the BexarMet Switch and Save Toilet Giveaway Program.
- € I understand that the rebate applies only to replacing pre-1992, high flow toilets with toilets flushing 1.6 gallons per flush or less.
- € **I understand that I cannot get a rebate for replacing a low flow toilet with another low flow toilet.**
- € I agree to provide BexarMet Water District a copy of the receipt or paid invoice.
- € I understand that the rebate is available for one year from the purchase date of the toilets.
- € I agree to an inspection of my installed toilet by a representative of BexarMet, if necessary.
- € In accepting this rebate, I acknowledge that BexarMet is in no way responsible for the condition of the plumbing on my side of the meter now, or in the future.
- € I agree to keep a water efficient toilet in place as long as I live at this address.
- € I understand that an incomplete application will result in rebate delay.
- € I understand the rebate applies to residential accounts only.
