

BexarMet Water District

Director Andy Carr, District 2

Andy Carr has spent most of his life in San Antonio except for eight-and-a-half years in Las Vegas, a year in Monterey, California, and about three years in Belton, Texas. He worked in San Antonio and Las Vegas as a radio personality for more than 20 years and then started college.

Mr. Carr has a BA degree from University of Nevada, a BS from New York Regents College, and a Masters from Our Lady of the Lake University. He was employed as a counselor and then Director of Social Services at Adoption Services Associates for a number of years. Mr. Carr practiced Psychotherapy for about 13 years before retiring. He also taught Psychology on a U.S. Naval Ship in the Mediterranean before returning to Central Texas College in 1995 where he taught Psychology and Child Development.

Mr. Carr currently teaches English Composition I and II and Group Dynamics at ITT Technical Institute.

Mr. Carr joined the BexarMet Board of Directors in November 2007. He has been married to Maria de los Angeles Flores Carr for the past 11 years and has four adult children: Jamie, Patrice, Jennifer, and John.

His district includes portions of southern San Antonio and northwest San Antonio outside of Loop 410 in the Marbach area and outside of Loop 1604 south of Potranco to Highway 90 out to Hwy 211.

Mr. Carr can be reached through the Board Administrative Assistant at (210) 354-6503.
