TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
Protecting Texas by Reducing and Preventing Pollution

December 1, 2008

Re: TCEQ 2008 Public Drinking Water Recognition Program

Dear Water System Official:

Congratulations! Your water system has been chosen to receive a TCEQ 2008 Public Drinking Water Recognition Program award for exceptional compliance with the *Total Coliform Rule (TCR)* requirements. The program recognizes the effort, dedication, and contribution public water suppliers make to the state and to protecting the public health of all citizens. To receive a TCR award, a public water system (PWS) must have no TCR violations and must be an active PWS for sixty (60) consecutive months. Currently, the TCEQ is recognizing water systems in Texas for their outstanding performance for the preceding five years (2003 – 2007).

The purpose of the program is to recognize your commitment to protect public health, and provide opportunities for water system managers to interact with each other, national organizations, and the TCEQ.

Again, congratulations on your selection as an award recipient. If you have any questions or require further information, please contact me at (512) 239-6174.

Sincerely,

A handwritten signature in black ink, appearing to read "James Beauchamp".

James Beauchamp, Special Assistant
Public Drinking Water Section (MC 155)
Water Supply Division
